

10 February 2020

**UP Global Sourcing Holdings plc**  
**“Ultimate Products” or “the Group”**

**TRADING UPDATE AND NOTICE OF RESULTS**  
***A period of solid financial and operational progress***

Ultimate Products, the owner, manager, designer and developer of an extensive range of value-focused consumer goods brands, announces the following trading update for the six months ended 31 January 2020 (“the period”).

**Financial and operational overview**

- Unaudited Group revenues increased by 2.8% (£1.9m) to £67.7m (H1 FY19: £65.8m)
- Renewed its exclusive trademark licence agreement for the "Russell Hobbs" trademark in the UK and EU until March 2023: this spans a range of non-electrical kitchen and laundry products (but does not include Russell Hobbs electrical appliances)
- Successfully extended the Group’s banking facilities to 2024, with funding headroom at 31 January 2020 of £13.2m (31 July 2019: £10.1m; 31 January 2019: £10.5m)
- Agreed terms on a 10 year lease extension at Manor Mill, the Group’s head office and second distribution centre in Oldham, Greater Manchester, in anticipation of planned investment in the site

**Outlook**

Given that the majority of the Group’s manufacturing is based in China, the Board is closely monitoring developments with the coronavirus outbreak there. The extension of the Chinese New Year holiday by nine days to today (Monday 10 February) in the Group’s main manufacturing areas is expected to cause production delays. As further information becomes available, we will continue to evaluate any short or long term impact on the Group’s business and take all necessary action to mitigate any disruption. We have extensive experience of managing supply chain disruptions in China, including those caused by previous viral outbreaks.

The Board currently expects full year profitability for FY20 to be in line with market expectations.

**Notice of Results**

The Group intends to announce its interim financial results on 30 April 2020.
