Ultimate Products is an owner, manager, designer and developer of a series of well-known brands focused on the home, selling to over 300 retailers across 37 countries. It has five product categories: Small Domestic Appliances; Housewares; Audio; Laundry; and Heating and Cooling. Its brands include Beldray (laundry, floor care, heating and cooling), Intempo (audio), Kleeneze (laundry), Salter (kitchenware), Petra (kitchenware) and Progress (cookware and bakeware).

The Group's products are sold to a broad cross-section of both large national and international multi-channel retailers as well as smaller national retail chains, incorporating discount retailers, supermarkets, general retailers and online retailers. Its best-selling products include frying pans, mugs and speakers, selling approximately one million of each every year.

Founded in 1997, Ultimate Products is headquartered in Oldham, Greater Manchester, where it has design, sales, marketing, buying, quality assurance, support functions and warehouse facilities across two sites. Manor Mill, the Group's head office, includes a spectacular 20,000 sq ft showroom that showcases each of its brands. In addition, the Group has an office and showroom in Guangzhou, China and in Cologne, Germany.

Ultimate Products recognises the importance of maintaining the highest standards of corporate behaviour, and has a strong focus on the environmental, social and governance-related aspects of its business. The Group has a range of initiatives in place to support its people, make a positive contribution to its local communities, and reduce its impact on the environment.

Ultimate Products' graduate development scheme was launched in 2012 and in 2020 it welcomed its 300th graduate. In total, Ultimate Products now employs over 300 staff.
